Jonathan Epstein Earns Prestigious CCIM Designation

Allentown, PA, Jonathan Epstein has been awarded the prestigious Certified Commercial Investment Member (CCIM) designation by the CCIM Institute. The designation was awarded during the Institute business meeting in Newport Beach, California.

The CCIM designation is awarded to commercial real estate professionals upon successful completion of a graduate-level education curriculum and presentation of a portfolio of qualifying industry experience. Less than one percent of commercial real estate professionals in the world hold the CCIM designation. Mr. Epstein earned the designation by passing the Institute's Comprehensive Examination, the final element in the designation process.

The CCIM institute's education program is the most comprehensive educational resource in commercial investment real estate. The graduate-level curriculum addresses the cornerstones of commercial investment real estate including financial analysis, market analysis, user decision analysis and investment analysis.

CCIMs are recognized experts in commercial real estate brokerage, leasing, asset management, valuation, and investment analysis. The Chicago-based CCIM Institute is an affiliate of the National Association of Realtors® and is the governing body of the largest commercial real estate network in the world.
