**Berger-Epstein Associates, Inc. Signs Lease at  
With THE PROGRAM for Women and Families in Allentown**

Allentown, PA, Berger-Epstein Associates, Inc. has completed a lease transaction with THE PROGRAM for Women and Families for 927 West Hamilton Street in Downtown Allentown, Pennsylvania.

THE PROGRAM is leasing both floors of the 6,000 square foot, 2-story building in Downtown Allentown. They will be using its first floor for training, seminars and administrative purposes and has their executive offices on the second floor. THE PROGRAM for Women and Families provides women offenders, their children and at-risk youth with opportunities to build healthy and productive lives.

“Finding the right building, the right location and the right Landlord wasn’t easy, but we are thrilled with 927 West Hamilton Street. This building suits our needs perfectly and we were delighted working with everyone at Berger-Epstein Associates, Inc. who was an integral part of managing our transition into the building from the beginning,” says Dr. Joyce Dougherty, the Executive Director of THE PROGRAM.

“Our offices had been at 927 West Hamilton Street for 35-plus years, and we are glad that this is a good fit for THE PROGRAM for Women and Families. This is a new chapter for both of our businesses,” says Jeff Epstein, President of Berger-Epstein Associates, Inc. which recently moved to The Offices at 3900 Hamilton Center, 3900 Hamilton Boulevard, Suite 208 in Allentown.

Berger-Epstein Associates, Inc. represented the Landlord of 927 West Hamilton Street in Allentown and the Tenant was represented by Doug Frederick of The Frederick Group Realtors of Allentown, PA.

Berger-Epstein Associates, Inc., a real estate development company headquartered in Allentown, Pennsylvania, has been specializing in commercial and industrial development, investment, brokerage and management since 1984.
